PROPERTY DESCRIPTION

St. Lawrence Market Wharf Lofts & Condos / Toronto Condos – developed by **Context Developments**, a new condo building located just south of St. Lawrence Market, south of Front St. and West of Lower Jarvis, featuring a podium and a tower with anticipated retail at ground level.

Market Wharf adds to the busy and rejuvenating St. Lawrence neighborhood, in proximity you'll find the future L-Tower, London On The Esplanade, and The Distillery District with its shopping and condos. The location is fantastic, especially if you need to jump on the Gardiner or walk to the subway, the waterfront or work in the downtown core.

Market Wharf is built by Context Developments, who gave Toronto District Lofts, Radio City, Tip Top and Spire. Moreover, the project was designed by Peter Clews and the Architects Alliance team, which has changed Toronto for good.
